The ENHANCE Project's Team final meeting with the Stakeholders

On December 17th, 2018 in Brasov the **ENHANCE** team met in a final meeting with the project stakeholders (representatives of the National Federation ProAgro).

The main results of the project were presented and it was approached, as a central theme of the discussions, agricultural research, as well as ongoing projects and future projects in relation to the Romanian academic environment.

The participants stated the idea of a long term relationship and managed to establish a connection with mutual benefits with the objective to raise the standards of research and development of agriculture in Romania.

At the end of the meeting, the project's coordinator, Mrs. Gina Fîntîneru and the President of ProAgro Federation, Mr. Emil Dumitru draw the conclusions of the meeting and congratulated everyone for three intense years of work and collaboration.
